

Community State Bank and the COVID-19 Virus

At Community State Bank, the health and well-being of our customers, employees and our communities are a top priority. With the novel coronavirus (COVID-19) affecting different communities around the world, we are taking several proactive steps to ensure you have access to uninterrupted banking services while protecting the health and safety of our customers, employees and our communities.

Our branches will remain open during our regular business hours. We are following the Centers for Disease Control and Prevention (CDC) guidelines to keep our employees healthy and to provide enhanced cleaning procedures at the branches.

For those who are looking for ways to complete your financial transaction without going inside a branch, we have multiple ways to serve you. We provide **free** remote banking tools and other resources for self-service banking which can provide you with 24/7 account access.

You can access your accounts by calling Community State Bank during regular business hours or you can utilize our 24-hour Voice Access Banking system by calling (719) 336-3281.

We also offer the Community State Bank's Online Banking at www.csb-lamar.com or www.csb-springfield.com, which will allow you to pay bills, make transfers and view your account balances and activity directly from your computer.

With our Mobile Deposit feature, you can access many of the same features of the Online Banking as well as take a photograph of a check to make a deposit to your account from the comfort of your home. You can download our Mobile Banking App for even more features by searching for CSB-LAMAR in both the [Google Play store for Android](#) and the [Apple Play Store for iOS](#) at your convenience.

You will need to enroll for the Community State Bank's Online Banking to utilize our Mobile Banking App, Mobile Deposit and Online Banking services. If you have not enrolled in the Community State Bank's Online Banking, it only takes a few minutes. You can [click here to enroll now](#).

We also understand that there may be instances where customers find themselves facing financial difficulties. Community State Bank is here to help, and we encourage customers who may be impacted or need assistance to reach out to discuss and find a solution for you. Should you find yourself in need of assistance, please contact us.

Community State Bank is committed to being a responsible partner in the communities we serve and we would like to thank you for entrusting us with your financial needs. Rest assured, we are continuously monitoring this ever-changing situation and we are taking every measure to limit the impact of COVID-19 on our operations while safeguarding customers, employees and communities alike.

For additional information about COVID-19 visit the Centers for Disease Control at www.cdc.gov or the Colorado Department of Public Health & Environment at www.colorado.gov/cdphe
